

420– White Flowering Dogwood (*Cornus florida*)

Hardiness Zone:	5-9
Mature Height:	15-25 feet
Features:	White, "flowers" (actually bracts) in spring; clusters of small red fruit in autumn; fall color is reddish purple.
Culture:	Partial shade to full sun. Prefers a moist, well drained, slightly acid soil. Although listed as hardy in zone 5, this tree may not perform well in the northern half of that zone, unless plants are selected from a northern seed source.
Growth Rate:	Medium
Mature Form:	Rounded to slightly irregular; branching is fairly horizontal.
Soil Conditions:	Dry <input checked="" type="checkbox"/> Moist, Well-Drained Wet
Tolerance:	Alkaline Soil Dry Sites Salt Soil Compaction Wet Sites Wind
Uses:	<input checked="" type="checkbox"/> Massing <input checked="" type="checkbox"/> Patio Screen <input checked="" type="checkbox"/> Shade <input checked="" type="checkbox"/> Specimen <input checked="" type="checkbox"/> Street Wind Break
Foliage Color:	Green Variegated
Fall Foliage Color:	Purple Red
Additional Notes:	Good near streams.
Size	24" seedlings
Quantity	5 pack
Price per:	\$ 9.00
